

Encyclopedia of Associations: National Organizations of the U.S.

Now online on Gale Directory Library

The acclaimed, long-standing *Encyclopedia of Associations* series provides detailed information on organizations around the world. *Encyclopedia of Associations: National Organizations of the U.S.* covers nonprofit U.S. membership organizations of national scope. Each annual edition of this venerable resource features more than 25,000 membership organizations. Multiple editions are available by standing order, ensuring access to the most up-to-date information as well as historical data.

Encyclopedia of Associations: National Organizations of the U.S. is the only comprehensive source for detailed information on nonprofit American membership organizations. Each entry features a range of valuable data, typically including the organization's complete name, address, e-mail and/or Web site, and phone; the primary official's name and title; founding date; purpose and activities; dues; national and international conferences; and much more.

Real-world users might include:

- Cross-search *Encyclopedia of Associations: National Organizations of the U.S.* with *Encyclopedia of Associations: Regional, State, and Local Organizations* and *Encyclopedia of Associations: International Organizations* to instantly generate a list of animal rights organizations across the globe, including complete contact information, Web sites and more
- Market a new small business product or service by connecting with Chambers of Commerce; cross-search national with regional organizations to easily create a mailing list of more than 3,000 groups across the U.S.
- And much more

ABOUT GALE DIRECTORY LIBRARY

With *Gale Directory Library*, researchers can use state-of-the-art functionality to perform a range of data sorting, filtering and exporting. These innovative features, unlike anything seen previously from our directories, make *Gale Directory Library* the essential tool for research.

- Find contacts — Finding a company, person, publication (or other kind of entity) is easy. Basic search lets users quickly look up names, search by keyword, and browse the full text of your directory holdings.
- Generate lists, analyze trends — Export search results and use them in programs like Excel or Word, making the creation of mailing lists a snap.
- Cross-searchable — Search across our growing number of directory titles. Each directory can be searched individually by its own unique data fields, or search the entire directory collection.

Additional benefits of *Gale Directory Library*:

- Use it like a database; buy and own it like a book collection
- State-of-the-art search, sort and export features
- Available 24/7 from any Internet-connected computer
- Choose the directory titles you want, and own the data
- Print, e-mail or download individual entries
- Entries include hot-linked Web sites and e-mail addresses (when available)
- Export results to analyze data or generate mailing lists
- Includes more data than print version, when appropriate
- Marked items lists let you select entries to generate custom results
- Available backfiles provide historical data
- Growing list of available directories
