The screenshot shows the InfoTrac Junior Edition interface. At the top, there are search filters: Basic Search, Subject Matter Search, Publication Search, Advanced Search, and Periodical Search. The article title is "Common Core's implications for special ed students" by Marion Herbert, published in District Administration, 47.2 (Feb. 2011): p10. The document type is an article. A sidebar on the right contains a "Tools" section with options: Listen, Print, Email, Download MP3, Download PDF, Save as Document, and Share. Below the article content, there is a "Bookmark & Share" section with icons for Facebook, Twitter, Print, Google, Digg, StumbleUpon, Delicious, Myspace, Messenger, Email, and More... (335).

This screenshot shows a Spanish translation of the article. The title is "Base comúnimplicaciones de s para los estudiantes especiales". The author is Marion Herbert. The source is District Administration, 47.2 (Feb. 2011): p10. The document type is an article. The text discusses the challenges of implementing the Common Core State Standards for students with disabilities. It mentions that Florida is the first state to have approved modified courses for these students. The article also notes that the transition to the Common Core will be challenging, but it's not going to be as difficult as some people think. It includes a photo of a group of children.
